Include \$1.00 for postage and handling on rooted cutting and combination orders. Include 75¢ on fresh cut leaf orders (Iowa customers, 50¢) under \$7.50. I pay postage on leaf orders over \$7.50. All orders are sent Special Handling and insured. CONTACT YOUR POSTOFFICE AT ONCE if you have any damage from rough handling. If plants arrive frozen, write me at once, as insurance does not cover that. If Air Mail or Special Delivery is desired, include enough to cover; any extra will be refunded if it is over 25¢; if less, it will be retained to help cover cost of packing materials.

All rooted clumps are grown in imported peatmoss and sand with some SPonge-Rok added, and this makes a very heavy root growth, eliminating any set back when divided and potted. If I am out of any variety when you order, will you please designate if I may furnish two fresh cut leaves instead, or one leaf and a refund? Shipping will begin as soon as weather is favorable. If you want your order acknowledged, please include a self-addressed card for reply.

I sell blooming plants at my home, which may be found by following Highway #92 for six miles west of Winterset, then 2½ miles north on crushed rock road. All stock is State Inspected and guaranteed to be free of disease. Minimum order \$3.00.

Save this as a basic list, new varieties will be added for Fall
